

Society for Biodynamic Farming and Gardening in Ontario

Biodynamic Bursary Fund -- application form for members

The *Biodynamic Bursary Fund* is a program of the 'Society for Biodynamic Farming and Gardening in Ontario'. Its purpose is to help biodynamic farmers and gardeners (both experienced and aspiring) to participate in study programs and other relevant educational opportunities.

Please complete the following to apply to the Directors for a bursary from the Biodynamic Bursary Fund. To allow for enough time for the Directors to arrive at a decision, submit your application no later than 60 days in advance of the date by which you require to be informed of our decision whether a bursary may be granted.

Email you application to the Bursary Committee of the Society:

Annette Stutzki (Treasurer): bdtreasureron@gmail.com and

Allan Kuhn (Chair): bdmemberpreps@gmail.com

Tuition \$:

7. Have you requested or received support from any other sources for attending this program? If yes, what are the sources and the amount of support?

NOTE:

While we may like to award all bursary requests, awards will be made based upon the funds available, the information you provide, and the date by which your application is received. (Do not count on that a bursary will fully cover all costs).

You will be notified when a decision has been made regarding your application.

If a bursary applicant needs assurance of a bursary approval prior to attending an event, the application (and pertinent information) must be received by the Board at least 60 days before the event, to allow the Directors enough time to consider the application during their regular (monthly) board meeting.

If a bursary is approved, the money *cannot be advanced*, and is only reimbursed *following* the event, once the bursary applicant has submitted receipts and related documentation (--where appropriate, a certificate of successful completion). **--Be sure to retain required receipts!**
